Dear Gummy Beans,

Thank you for your donation of \$1,059.00 USD in support of Diabetes Research Connection (DRC).

Your partnership allows new type 1 diabetes (T1D) discoveries aimed at better treatment of the disease and a cure. Without funding, early-career scientists are unable to pursue their innovative research and advance T1D science.

Your donation will help us continue to build a foundation of T1D funding and allow us to honor our commitment that 100% of funds designated for research go directly to the scientists' lab.

We could not accomplish our mission without the continued support of our community. Thank you for being a part of the DRC family. It takes a community to connect for a cure!

Sincerely,  
Casey Davis
