Dear Gummy Beans,

**Thank you so much for your \$1,000.00 donation to The diaTribe Foundation!** We are a small nonprofit with a big impact and our ability to improve the lives of people with diabetes and prediabetes depends on supporters like you. Your generosity is deeply appreciated.

Thanks to your investment, we have accomplished so much to help people with diabetes live happier, healthier, and more hopeful lives. Over the past 12 months our online resource, [diaTribe Learn](#), has been visited by over 3.2 million people and has grown by over 150 articles. Our [newsletter](#), containing the latest research, tips, and diabetes drug and technology education, is delivered to the inbox of over 250,000 people weekly. In addition, we have collaborated with diabetes experts, researchers, policymakers, and investors to develop innovative solutions to address diabetes.

We couldn't do this without your help – thank YOU for making our work possible and for supporting those living with diabetes and prediabetes!

With gratitude,  
Kelly Close and The diaTribe Foundation team
