Dear Gummy Beans,

Thank you for your generous \$1,000.00 gift to Joslin Diabetes Center. You made a powerful decision to support patients and families living with diabetes and its complications, and the clinicians, researchers, and educators advancing our shared aim of defeating diabetes.

Right now, Joslin researchers are hard at work understanding how a patient's cells can be altered to fight diabetes, physicians are providing cutting-edge clinical care, and educators are teaching patients to use the latest technology. Your gift supports our physicians, researchers, educators, and staff in their tireless work to improve the lives of those living with diabetes. On behalf of everyone at Joslin, we appreciate your partnership in the fight to end diabetes and its complications.

If you have any questions about this gift or require further information, please contact Joslin's Development Office at development@joslin.harvard.edu or (617) 309-2412.

Sincerely,
Betsy Cote
Chief Development Officer
